MEMORANDUM FOR REAR ADMIRAL SIDNEY W. SOUERS:

Subject: Monitoring of Foreign Propaganda Broadcasts.

1. During December 1945 the War Department was informed that the Federal Communications Commission was in process of liquidating its [REDACTED] which monitored press and propaganda broadcasts of foreign powers. Although systematic coverage of foreign propaganda broadcasts was believed primarily the concern of the State Department, it was also valuable as an auxiliary activity to the intelligence functions of the War and Navy Departments. Other government agencies were served by the product of the [REDACTED] Therefore, as an interim measure only, pending any program the State Department might initiate, the War Department expanded its monitoring program to meet the need arising from the liquidation of [REDACTED] (Tab "A").

2. The War Department, with the approval of the Federal Communications Commission (Tab "B"), accordingly employed former [REDACTED] personnel and placed them on the War Department payroll effective 30 December 1945; and all [REDACTED] facilities, including those held by lease or contract, were acquired by the War Department on loan or by transfer. The War Department arranged for the renegotiation of outstanding leases and contracts, which now constitute a charge against its current operating expenses. Pending detailed arrangements, it acquired by loan fixed facilities and equipment owned by Federal Communications Commission necessary to continued [REDACTED] operations. See Tab "C" for the functional organization of [REDACTED]

3. It is inappropriate and outside of the scope of its responsibilities for the War Department to continue monitoring foreign press and propaganda broadcasts beyond the fiscal year 1946 (June 30, 1946). Another government agency should be prepared to

continue the [REDACTED] function after that date. It is therefore proposed that the Director of Central Intelligence assume responsibility for the proper disposition of the [REDACTED] and its related Central Intelligence functions and make the necessary recommendations to the National Intelligence Authority with a view to determining the most appropriate government agency to monitor foreign propaganda broadcasts on a continuing basis. It is recommended that the War and Navy Departments be informed as early as practicable as to the ultimate disposition of [REDACTED]
